SUMMARY

This bill implements the recommendations of the task force convened by the Commissioner of Labor to evaluate and recommend, among other things, revisions to the definition of "service dog" pursuant to Resolve 2007, chapter 96. The bill defines "service animal" as animals determined necessary for individuals with both physical and mental disabilities. The bill replaces the current statutory terms "guide dog," "trained dog" and "personal care dog" with the new term "service animal."

The bill also amends the Maine Human Rights Act by adding language protecting the use of service animals in housing and in public. It also increases the maximum fine for misrepresentation of a service animal from \$100 to \$500.
